Price: \$5 parking charge

Residents are reminded that:

1. Only Arbor Springs residents and their invited guest are permitted to use the pool..
2. Children under the age of 16 are to be accompanied by an adult.
3. The pool code is not to be given out to any non-Arbor Springs individual.
4. Guests are to be accompanied by a resident of Arbor Springs.
5. Everyone is encouraged to lay towels over the lawn chairs to minimize the damage of sun screen lotion.
6. Please help to keep the pool in good shape by picking up toys and debris upon departure.
7. No glass containers are permitted in the pool area.

**Call for Pool Security
Volunteers**

We always a need for additional volunteers to help with pool security. This role's primary emphasis is proper nightly closures and the placing and the returning of trash containers to the curb. The time required is minimal and this position would be a good fit for those who enjoy a swim in the evening. Anyone interested is encouraged to contact any of the HOA Board Members or Paul Kirkeiner, Security Committee Chairperson.

Friendly Reminders

Pool Code

Pool codes have been e-mailed. If you have not received notification, please contact Francine Bond.

Overnight Parking

A quick reminder that vehicles left in the street overnight is prohibited. The pool clubhouse has plenty of parking available for those in need of the extra space.

Thank you!!

**NO
OVERNIGHT
PARKING**

2016 Pool Upgrades

We have made several upgrades and improvements to the pool this spring. These include:

1. New concrete coping and blue tile installed around the main pool and wader pool. Concrete color was matched to accent concrete installed 2 years ago.
2. All wood work above the brick (exterior and breezeway) has been repaired and repainted.
3. A security metal on backside of pool gate was installed. This will allow the inner handle to open gate from the inside without the need of entering the pool code but will prevent someone reaching from the outside to open gate. The purpose of this change is to improve emergency egress and to meet fire code requirements.
