## ON A SIDE NOTE

---

### We Need YOU!!

There is always a need for additional volunteers to help with pool security. Pool security is pretty easy with primary emphasis being proper pool closure at night and trash containers placed at and returned from curb. Duty is just week at a time. This could be a good fit for someone who likes to go down late in the evening to cool off and take late evening swim. Anyone interested is encouraged to contact any of our HOA Board members or Paul Kirkeiner, Security Committee Chairperson.

## Pool Opening

### Yay, Summer is Here

The pool will open Saturday May 27th. The pool hours for the summer season will be 8 am to 9 pm. The gate will be cabled after hours for added security. Please be mindful of the closing times so that our friendly neighbor volunteers can quickly do their job of closure at 9 PM. Residents are reminded that:

1. Only Arbor Springs residents and their invited guest are permitted to use the pool. The pool code is not to be given out to any non-Arbor Springs individual.
2. Children under the age of 16 are to be accompanied by someone 16 years or older.
3. 4. Guests are to be accompanied by an Arbor Springs Resident.
4. Everyone is encouraged to utilize towels while using the lawn chairs to minimize the damage due to sun screen.
5. Pool users are encouraged to maintain the pool in good shape at all times, including picking up toys and debris upon departure from the pool.
6. For safety and common sense purposes, no glass containers are permitted in the pool area.

The gate code will be forwarded by email in the near future from Kirkpatrick Management.

## Mark Your Calendars

Neighborhood Garage Sale scheduled for **June 10** from 8AM – 2 PM.

Summer Party scheduled for **August 19**. More info to come.

## A Big Thank You!!

## Parking Reminder

Trailers are not to be parked in driveway overnight except to load before or after a trip. Extended time periods beyond one night are not provided for by our covenants.

Per our Covenants, vehicles left in the street overnight is prohibited. The pool clubhouse has plenty of parking available for those in need of the extra space.

Thanks to our neighbors who utilize this area.

# SPRING CLEAN YOUR MAILBOX

Spring's warmer weather brings us outside and now we begin seeing projects that need to be tackled. One of the home improvement projects many times overlooked is our mailboxes. Just like our homes, mailboxes get weathered and needs cleaned up and painted.

Does your mailbox have oxidation forming? If so, check out a do-it-yourself website instructing how to clean your mailbox: <http://www.doityourself.com/stry/remove-rust-from-your-mailbox-in-number-steps>. If that doesn't work, it may be time to replace it. The company to contact to replace your mailbox is Estes Design, 317-899-5556.

Your mailbox may be in good shape, but what about that mailbox post? Does it need a new coat of paint? If so, the subdivision will provide the paint for the mailbox at no charge to you. Contact Dan Magoun, Homeowners Association President, at 317-431-4555 to obtain the post paint. OR if you want to take out the hassle of getting the paint and painting the mailbox post yourself, why not consider hiring Henry Hartley, a teenager resident in our subdivision who is willing and available to paint the mailbox post for a small charge of \$20.00. If interested in having your mailbox painted by Henry, you can contact him at 317-997-6270 to get it scheduled. For an additional \$15 Henry will attempt to remove some of the oxidation on the mailbox. Please note, though, depending upon the age of the mailbox and degree of paint deterioration, Henry's great effort may not have an effect.

Diana Capes

Beautification Committee Chair
