

Changes at the Pool

First of all, thank you for your patience with the temporary concrete work during last pool season. We managed to get several items repaired/replaced just in time for Saturday's pool opening. Some of the changes are as follows:

1. Replaced the tile around the perimeter of the pool with a more permanent decorative concrete.
2. Repaired the tiles around the pool that was broken during the repairs and/or popped up during the hard freeze.
3. Replaced the rotting wood on the columns in the patio area.
4. Added gutters to the front of the pool house since water "pooled" around the foundation.
5. Repaired the cracks in the walls of both restrooms as a result of the hard winter.
6. Repainted both restrooms. (Kudos to Denise Smith, Dan & Christine Magoun for repairing the cracks and repainting the restrooms!)

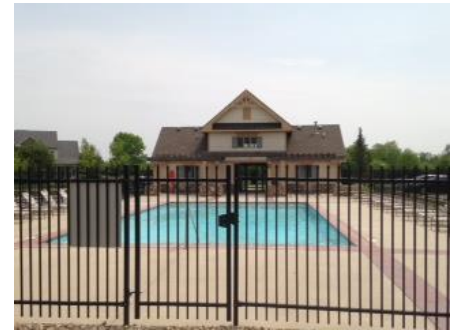

FINALLY

The Pool Is Opening

The pool will open Saturday May 24th for the season from 8 am to 9 pm. The gate will be cabled after hours for added security. Please be mindful of the closing times so that the volunteers can quickly do their job. Residents are reminded that:

2. Children under the age of 16 are to be accompanied by someone 18 years or older.
3. Residents are not to give out the code to any nonresident individual.
