New HOA Board Members

During the 2017 annual meeting, the following people were elected to the Arbor Springs HOA Board of Directors:

Scott Street, President

Diana Capes, Vice President

Mark Upton, Secretary/Treasurer

Once again, a special thanks to Dan Magoun for his many years of service to Arbor Springs. His dedication to the HOA has made our neighborhood better in so many ways.

-or-

You can email the HOA Board through the reactivated and monitored email address:

thearborspringshoa@gmail.com. This will allow us to respond in a much more timely manner to neighbor concerns and/or issues.

Republic Trash Transition

Thank you to all our neighbors who made the timely transition to Republic Trash Services. As a reminder, on collection days (Mondays) please place your trash cans front-side facing the street and with multiple cans make sure they are spaced roughly 3 feet apart; this allows room for the automated arms to grab the cans and prevents accidental property damage, such as mailboxes.

Also, per our covenants ref. ARTICLE 6.14 "...Trash may be placed at the curb of each lot no earlier than 8:00 pm the night before scheduled collection, and trash receptacles shall not be permitted to remain outside for more than twenty-four (24) consecutive hours."

All Arbor Springs homeowners are encouraged to review the information regarding Republic's trash and recycling guidelines that are posted on our website www.thearborsprings.com.

It has been brought to the Board's attention that when a few neighbors have tried to contact Republic Trash for bulk pick-up or general questions, Republic wasn't able to locate Arbor Springs homeowners in their system. We have been in touch with Shannon Donovan, our original point of contact at Republic, and she is fixing the "glitch." In the mean time, she recommends any and all trash questions be sent to her directly. Her contact information is:

sdonovan@republicservices.com

Ph.# (317) 917-7326

We thank you for your continued patience as we move forward with this change for our neighborhood.

This Spotlight edition shines its light on the former HOA President, Dan B. Magoun. We want to recognize and thank Dan for his past 5 years of tireless service as President of the Arbor Springs Homeowners Association and to highlight some interesting tidbits that you may not know about Dan.

Dan has lived in Arbor Springs since May of 2010 with his wife, Christine. They have been married for 51 years (congratulations!) and have 3 daughters and 7 grandchildren. Dan is a proud Hoosier but lived his youth in Virginia and North Carolina. Dan graduated from NC State University with a BS degree in Zoology and worked his entire career in Environmental Management. In his spare time, he enjoys sailing at Eagle Creek.

When Dan was asked what benefits he received from volunteering in a neighborhood association, he shared that it gave him:

- a. The opportunity to feel a part of Arbor Springs and get to know residents on a first name basis.
- b. The ability to locate and work with good, reliable vendors for Arbor Springs.
- c. A contributing influence to help maintain our great neighborhood, its attractiveness, and its property values.
- d. The privilege of working with and getting to know other Board members and various committee chairs.
- e. A meaningful activity during his retirement that allowed him to continue to be involved.

Although he has hung up his HOA President hat, Dan remains involved in the HOA through chairing the Beautification Committee.

Thank you, Dan, for sharing your volunteer service and spirit. We are a better community because of it!
